■ Helping sellers get contract-ready

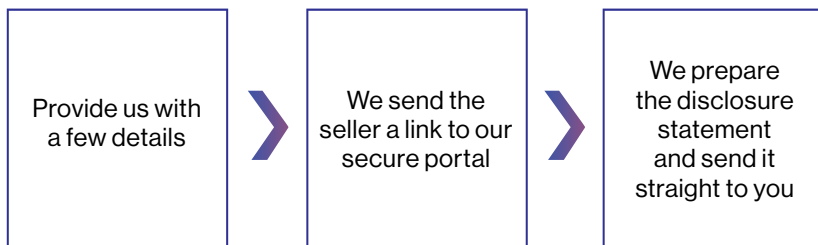

Meeting disclosure requirements can be time-consuming for agents and confusing for clients.

We've developed a straightforward process that takes the complexity out, so you can focus on the sale, not the paperwork.

\$295 Fixed Fee*

*Including GST. Excluding search costs. Offer limited to properties under \$4.5 million.

We're offering this service to support our clients and the broader real estate industry through this regulatory change. It's just one more way we're staying ahead of the curve and doing what we've always done:

- ✓ Keeping conveyancing simple
- ✓ Making processes streamlined
- ✓ Delivering services that are cost-effective

There's no obligation for the seller to engage us for their conveyancing, and no hidden costs for you or your clients.

We believe helping sellers get disclosure right from the start is better for everyone - especially agents. It means fewer delays, fewer legal issues, and smoother paths to settlement.

Liability is limited by a scheme approved under professional standards legislation
