Your property settlement in safe hands

For many of us, our home is our most valuable asset. That's why it's so important to choose a conveyancer you trust.

With thirty years of experience and a commitment to excellence, your property transaction is in safe hands with Keylaw.

→ An experienced, established firm

With decades of experience, and over 6,000 Google reviews, we are Queensland's top-rated, and most trusted conveyancing law firm.

→ A local touch

With eight offices Queensland-wide, we can assist you wherever you are.

→ Superior customer service

Client satisfaction is our absolute priority from the moment you contact us all the way to settlement.

"We have had clients describe our service as feeling like a legally trained member of their own family was acting for them, and that is exactly how we want our clients to feel."
